software architect / cto / it lead

Expert (+10 years experience)
Working (Hit me with offer) | Vilnius, Lithuania

Sector Background

Bank&Finance, E-Commerce, Public Sector, Technology Startup, Retail

Preferences

Location

European Union only

Current status

Working (Hit me with offer) (Updated: 15 hours ago)

Personal Statement

I'm motivated IT professional currently located in Lithuania focusing in software development, quality and bussiness. In 2006 I started as junior .net developer and currently i'm working as development department manager who still actively does coding. My current possition includes communication with Scandinavian customers, setting up development teams, leading technical people and problem solving if any.
