## Aprašymas:

As a member of Global Voice and Data Networking Team you will be responsible for the smooth operation of data network (including handling of incidents and service requests) as well as for compliance with the given security guidelines. You will work closely with colleagues from Germany and organize the deployment of our support providers in our international Festo companies.

Your responsibilities:

- Ensuring the active operation of the Voice and Data Network and ensuring high availability. (Switching, Routing, WLAN, Security, Skype for Business, MS Teams, VoIP, Cloud, AWS, Azure)
- Network monitoring/network management to detect and eliminate faults at an early stage■
- Participation in standby (on-call) service 7x24
- Implementation and operation of the specified security policy
- Operation of the network segmentation solution (NAC) and elimination of faults
- Documentation -Processing of service requests and incidents as part of IT service management Voice & Data Network
- Integration and control of external service providers
- Integration and assumption of tasks within the team

Your qualification:

- 1-2 years of professional experience in the field of network/voice operations
- Knowledge of network technologies (Routing, Switching, Security, WAN / LAN, VPN, WLAN, VoIP, SIP, QoS)
- Knowledge of products of well-known network suppliers (Cisco, McAfee, FortiNet, Microsoft)
- Knowledge of network analysis and troubleshooting (baselining, monitoring, protocol analysis)
- Very good English language skills
- Ability to communicate and collaborate

You can expect the following with us:

- Extensive introductory training ■ Broaden your mind in collaboration with colleagues from other Festo units
- Deepen technical competencies while working in global teams
- Opportunity to improve foreign language knowledge when communicating with colleagues from other Festo branches
- If necessary, a possibility to work some time remotely
- Support and mentoring from a leader, working under the Leadership Culture principles
- Convenient, up-to-date, and employee-oriented work environment
