Vilnius, Lietuva

Projektas nebegalioja

Aprašymas

UAB Probanx solutions, a Lithuanian financial technology company, is owned by iSignthis an Australian Securities and Frankfurt Stock Exchange listed company (ASX:ISX, FRA:TA8); the global RegTech leader in remote identity verification, payment authentication and payment processing. iSignthis provides an end-to-end on-boarding service for merchants, with a unified payment and identity service via its Paydentity™ and ISXPay® solutions.

The company also develops applications in conjunction with other entities of the iSignthis group to help financial institutions onboard customers, manage electronic documents, ensure compliance with money laundering and know-your-customer, and several other functions. UAB Probanx solutions works extensively with local and overseas clients. This Lithuanian company is a member of joint projects with Probanx, a Cyprus-based iSignthis company as well as other parts of iSignthis.

Up for the challenge?!

We are looking for a Frontend DEVELOPER to join our Vilnius-based team.

This is your opportunity to join us and build your Fintech career!

Duties and Responsibilities:

- Participation in systems development projects in Lithuania and abroad, as a developer;
- Possible business trips to foreign countries with the team.

Requirements:

- 4+ years of work experience in programming;
- Work experience with:
 - .React;
 - Javascript
 - HTML
- Certificates in the above areas would be an advantage;
- Experience in the financial sector would be a big advantage;
- Good knowledge of English and Lithuanian;
- Solid interest in delivering quality solutions;
- Good organizational and time planning skills;
- Ability to work in a team and independently.

The Company offers:

- Opportunities for improvement within the company - interesting local and international projects
- Great environment for ideas exploration and realization;
- Possibility to work in another company of the iSignthis group according to internal exchange program;

Interested applicants are encouraged to apply by sending their CV to careers@isxfinancial.com quoting "Frontend Engineer".
