

# IT-security experts

## Ammi Software

[www.ammitechnology.com/](http://www.ammitechnology.com/)

Stockholm, Sweden

### About the assignment:

#### Location

Stockholm, Sweden

#### Rate (after tax)

€1000 - 6000/Month

#### Duration

Short-term project (>3 months)

#### Extension (project)

Yes

#### Remotely (optionally)

No

#### Expire On

2019-10-16 (11 hours from now)

### Description:

We are building a SOC (Security Operation Center) as well as helping our clients with different projects within security.

We are looking for several consultants to be employed by us and 1. work within our SOC or 2. work as an expert within different fields at our clients location. Typical work could be to look for vulnerabilities in different applications, platforms and/or infrastructure environment as well as teaching our clients best practices on how to handle code and setups. Penetration testing is also something we see in the future.

The work is located in Sweden monday-thursday or monday - friday and we will cover apartment as well as travels to and from Sweden.

### Required Skills

#### TESTING

Security Testing 0-1 year

#### IMPLEMENTATION

IT Security 0-1 year

Security Architecture 0-1 year

#### ADMIN & NETWORK

Linux Security 0-1 year
